About The Silver A' Design Award
The Silver A' Design Award is a prestigious award given to top 1% percentile designs that has achieved an exemplary level of excellence in design. Entries are voted by an experienced grand jury panel of press members, design professionals, academics & entrepreneurs. Designs are ranked based on standard deviation of jury votes to remove any biases & voted on distinct evaluation criteria for each award category. A' Design Award has a philanthropic mission to create a global awareness and understanding for good design worldwide, the ultimate aim of the accolade is to push designers, brands & companies to create superior products and projects that substance and benefit society.
